

Canadian Council on Africa has partnered with Elevate Export Finance to provide African buyers with medium term loans for up to USD \$10 million to finance your new equipment purchase from Canadian suppliers. We will tailor our financing packages to meet your needs.

Benefits To You

- Interest rates that are competitive or better than those in your local markets.
- Repayment terms that are tailored to suit your needs.
- Financing is in addition to your existing credit facilities.
- All loan negotiations will be handled by our financing partner, Elevate Export Finance, thus assuring confidentiality.
- Deal with financial experts who understand your business.
- Standardized loan documentation for greater efficiency and lower cost.

Government Backed Financing

- Elevate Export Finance brings together the export strengths of the Government of Canada through its partnership with Export Development Canada (EDC). As well, Elevate can leverage the expertise and resources of the private sector through its banking partners.

Terms

- Medium term loans – up to 5 years
- Finance for purchases up to USD\$10MM
- Up to 85% of contract amount
- Variable or fixed rate loans

Start Expanding Now

- If your company is less than three years old, the financial strength of the owners, partners or stockholders can be used to apply for purchase financing.
- If your company is part of a larger organization, then other members of the organization may submit their financial statements to guarantee the loan.

Confidentiality

- All credit evaluations are carried out by our financing partner, Elevate Export Finance, thus ensuring the strictest confidentiality. You will be in direct contact with Elevate and all information provided will be reviewed by Elevate and EDC only.
- You may contact Elevate directly by visiting their web site or you can find the contact details below.

Fast, Easy and Flexible

- All we require is a completed application form and some additional financial information.
